Subject: Latino Community Roundtable - Letter of Support for AB 1242

TREASURER

Marco Moreno
(Self-Employed)

Dear Assemblymember Gray:

The Latino Community Roundtable (LCR) is committed to improving the political, social justice, cultural, and economic conditions of Latinos in Stanislaus County. Our organization grew to over 200 members in 2014 and serves as a think tank to provide direction and leadership to the entire Latino Community.

SECRETARY

Crystal Castillo
(Castle Real Estate)

We write to you to express our support for your Assembly Bill 1242 as written. LCR's Water and Energy Committee recognizes that it is vital to maintain sustainable groundwater and surface water policies in order to ensure the continued economic vitality of our region.

HISTORIAN

Bob Endsley
(Real Estate)

LCR is very concerned regarding the proposed plan, currently under consideration by the State Water Resources Control Board, to require an additional 350,000 acre feet of water annually to be diverted from the rivers to flow out to the San Francisco Bay Delta. The proposal reduces the flows available to our local community, without any proposal to address the significant adverse impacts to our region.

PARLIAMENTARIAN

Mani Grewal
(Business Owner)

We fully support your proposed legislation to require the Board to consider and mitigate adverse impacts of any such plan. Without such mitigation, our community loses its voice in the development of water policies that significantly impact our region, our economy, and our workforce.

SGT.-AT-ARMS

Aaron Villalobos
(Attorney-at-Law)

On behalf of the LCR Board and our membership, we thank you for your commitment to this important issue and for the opportunity to share our support for AB 1242.
